In order to make sure you receive the best fitting uniform that is available from **toraki**, we kindly request that you complete the following process:

These measurements will take approximately ten (10) minutes to complete. We recommend you print this form to help you as you take the measurements.

Please ensure you have the following;

- Your uniform (clean and dry);
- Measuring tape and pen/pencil;
- The assistance of someone

Body Measurements:

For all body measurements:

Please ensure you measure at the largest part of the body (no flexing please).

Note:

Hip measurement: Please make sure you measure the largest part (including buttocks).

Judogi Specific Measurements

- A) Pant Outseam (PO)
- B) Sleeve-to-Sleeve (S2S)
- C) Wrist-to-Wrist (W2W)

A) Pant Outseam (PO)

To determine the pant outseam measurement, please follow this procedure:

- 1) Please “lay” your judogi pants on a table or flat surface.
- 2) Please measure the length from the waistband of the pant to the leg opening.

NOTE: If you require additional/less length on your current pant in terms of length, please add or subtract to the “Pant Outseam” length that you provide accordingly.

B) Sleeve-to-Sleeve (S2S)

To determine the “Sleeve-to-Sleeve” measurement, please follow this procedure:

This is the **SLEEVE-to-SLEEVE (S2S)** measurement
