FORMAT FOR U10 & U12

These divisions will be skill based. Participants will participate in randori bouts. During these bouts an ippon will not end the match. Contestants will compete for 2 minutes running time. Only in the case where one athlete dominates by 3 consecutive ippons, injury, or grave infraction of the rules will the match be suspended. One judge will officiate, but will not call conventional scores, as competitors will be allowed to fight as in randori. The judge will control the flow of the match calling matte when appropriate and advising competitors of prohibited acts. Ne waza will continue as long as there is progress. When osae waza is executed, it will be allowed until there is no apparent advance in escape by uke, at which time the judge will announce “matte” and resume in tachi waza randori.

Technical ability, willingness to compete and sportsmanship will evaluate the match. The technical assessment will not only include throw appreciation, but also osae waza, effective transition from tachi waza to ne waza, renraku waza, ability to destabilize and throw in different directions, utilization of different techniques, utilization of hando no kuzushi, as well as an evaluation of posture.
